

**If Printing, Use LEGAL SIZE PAPER**

**For Colleges**

**Authorized Signatures, Approvers, and Designated Contact Person for Graduate and Professional Studies Documents**

**Please note: Faculty approver must be a member of Graduate Committee Faculty to be authorized to sign Graduate and Professional Studies Documents.**

**It is highly recommended that each program have at least 2 people who are authorized signers.**

### **DPSS Approval (Degree Plans and Petitions as required)**

The name(s) designated as Document Processing Submission System (DPSS) Departmental Approver will be notified to approve all documents in DPSS. Those who are designated as the departmental Proxy Approver will be able to proxy approve when needed, but will not receive notification to approve DPSS documents.

### **Graduate Committee Faculty Approval**

The name(s) designated as Departmental Approver will be notified to approve new nominations in the Graduate Committee Faculty system. Those who are designated as the departmental Proxy Approver will be able to proxy approve when needed, but will not receive notification to approve nominations in the Graduate Committee Faculty system.

### **Designated Contact Person**

Please list the person to whom all regular graduate document correspondence should be sent. This may be a faculty or staff person. If no one is specified, correspondence for your program will be sent to the department head or interdisciplinary program chair.

### **ImageNow**

Please list the person/s who should have access to approved graduate student documents in the OGAPS ImageNow drawers.

**Please return this form to the Office of Graduate and Professional Studies at MS 1113**
